VARGA is a heavy, technical metal band hailing from Canada's Steeltown – Hamilton, Ontario. Known for their crushingly tight live shows, Varga re-united in 2011, after a 14 year hiatus. Since reforming, Varga has released two technical, riff-laden, metal epics – ‘[ENTER THE METAL](#)’ (2013) and ‘[RETURN OF THE METAL](#)’ (2014). After the departure of second guitarist Adam Alex in 2015, the band continues on as a power trio.
